Clint and Amber Shearer • Tony DeSorbo

The Fair Association assumes no responsibility for loss or damage to exhibits from any cause. The Fair Association will exercise care in handling the exhibits, but only on these conditions are they accepted.

In absence of competition, the right is reserved to award a premium the article merits.

All exhibits must have been made, grown, produced, or processed, by the exhibitor or some of his family within the past year.

No prizes or ribbons will be awarded for an article which does not come under a class in the premium list. Prize money will be mailed within 30 days and should be cashed promptly.

While it is the desire of the Association to pay all premiums in full, should a contingency arise whereby the receipts of the Association are insufficient to do so, then in that event the right is reserved to pay prorata in all exhibition classes after deducting expenses and the amount so paid shall discharge the obligation of the Association of the current year.

All exhibits must be removed from the Community Hall on Saturday between 10:00 p.m. and 11:00 p.m. and between 9:00 a.m. and 5:00 p.m. Sunday. After such time, all remaining articles will be disposed of as the Chairman shall deem proper. Any proceeds realized shall be placed in the Association Treasury.

WINNERS: Checks MUST BE CASHED WITHIN 90 DAYS. HALL WILL BE CLOSED DURING BOTH PARADES.

2D or not 2D? That is the CROP ART question!

It's been 21 lucky years since the traditional Dillsburg Farmers Fair Crop Art competition got under way and 14 years for the 3D Crop Art competition. The traditional Crop Art contest is for flat or 2D entries. These are flat pieces that could be hung on a wall. The 3D competition adds another dimension to the contest. These 3D entries are more like a sculpture that would sit on a table. See Events Calendar for days and times the Community Hall is open for entries during Fair week.

The Rules: Traditional Crop Art

This contest calls for entrants to create a piece of artwork entirely out of dry seeds and beans. Entries in this category would include but are not limited to portraits, landscapes, and other pictures that would normally be painted. Submitted artwork will be judged on overall artistic merit, cleverness of subject, technique, originality, and skill. The natural color of the seeds and beans provides the only pigment to the pictures as no paint or dyes are allowed. Only seeds and beans that are used for crops that can be grown in Pennsylvania may be used. No portion of the seedpod is to be used in the artwork. The artwork is to be completely and exclusively created from whole and unadulterated naturally colored seeds and beans. Seeds should be affixed permanently to the flat surface with a clear or invisible adhesive. A clear protective finish may be applied. Seed portion of artwork must be less than 3/4" thick. (If work is mounted on 1/2" thick board the total thickness of entry must be less than 1 1/4".) Seeds may be layered or partially layered on top of one another as long as the total thickness doesn't exceed 3/4". Crop Art pictures are to be no larger than 400 square inches in area and mounted on a stiff flat board such as plywood. It is not necessary that the board be rectangular. Pictures may have frames but frames are not required. No portion of mounting board is to be visible. Mounting board must be completely covered with seeds. There should not be glass or plastic covering the artwork. An unsigned 4" by 6" legend card must accompany the artwork with title and samples of the seeds used in the artwork clearly and neatly identified.

Prizes: 18 Years and Older ~ First prize - \$100, Second prize - \$75, and Third prize - \$50  
10 to 17 Years Old ~ First prize - \$50, Second prize - \$40, and Third prize - \$30

The Rules: Crop Art 3D

Entries in this category are to be three-dimensional sculptures of whatever support material is chosen covered entirely with dry seeds and/or beans. Clay, foam, natural or manmade objects may be used as the base material but no portion of this base is to be visible. No glue or supports are to be visible. Entire work must be covered with seeds so no props can be used. Work should be displayed on a board or support that is also completely covered with seeds. Entire installation must fit on a 12" deep shelf and no higher or wider than 24". Submitted artwork will be judged on overall artistic merit, cleverness of subject, technique, originality, and skill. The natural color of the seeds and beans provides the only pigment to the pictures as no paint or dyes are allowed. A clear protective finish may be applied. Only seeds and beans that are used for crops that can be grown in Pennsylvania may be used. No portion of the seedpod is to be used in the artwork. An unsigned 4" by 6" legend card must accompany the artwork with title and samples of the seeds used in the artwork clearly identified.
